

Model: MS8221C

- Digital multimeter - 2000 counts
- Large Display
- Safety IEC1010-1, Cat III 600V
- Low cost
- Auto range
- 600V AC/DC
- Cap / Temp / Diode / Buzzer

Model: MS8217

- Digital multimeter 3 3/4 digit
- 4000 counts
- Large display
- Safety IEC1010-1 Cat II 1000V Cat III 600V
- General Purpose Meter
- + Temperature & Frequency

Model: MS8226T

- True RMS Digital multimeter
- RS232 connection & software for data logging & recording
- 4000 counts for high accuracy
- Max / min. Safety IEC1010-1 Cat III 1000V
- Does everything!

Model: T2700

- Digital multimeter - auto ranging
- General purpose
- 3200 count
- With analog bar graph
- Overload protection up to 600V RMS

Model: MS2002A - 400A

- Digital AC Clamp Meter
- 3 3/4 digits - 4000 counts
- LCD display with bar-graph
- Data hold & LCD back light
- Small size

Model: T3091R

- AC digital Clamp meter
- 3+3/4 digit, 4000 count
- Auto ranging
- Small size
- Data hold function

Model: GT202 - 1000A

- Digital AC Clamp Meter - 2000 counts, 3.5 digits
- Rotary switch for one hand operation
- Data hold
- Includes frequency & temp

Model: T3074

- 1000A AC Clamp meter with 3.5 digit, 4000 count + bar graph
- Inbuilt phase rotation indicator for 3 phase systems
- Peak hold, min, max and data hold - Power / ϕ / KW / C / Frequency, etc

Model: T3078 Clamp+Multi

- Dual display - amps/volts, amps/Hz, etc at same time
- 1000 A AC Clamp function
- Resistance up to 20K Ω
- Voltage up to 600V AC/DC
- Temperature up to 1300C
- Frequency

Model: MS2138 - 600A

- Full size AC/DC Clamp Meter
- 4000 counts with bar-graph
- Data hold
- Auto / Manual range
- Auto power off
- AC/DC Volts/ Frequency/ Ohms

Model: T3082 - 600A

- TRMS AC/DC Clamp meter
- 4000 count
- True RMS reading
- DCA - 0 button, peak - data hold
- AC / DC Volts, Frequency, Ohms

Model: MS2101 - 1000A

- Digital AC/DC Clamp Meter
- 3 3/4 digits 4000 counts
- Data hold, temp (type K)
- Zero fct'n DC & REL for AC
- Safety IEC1010-1 CatIII1000V Cat III 600V

Model: MS5201

- Digital Insulation tester
- 250 / 500 / 1000 V test
- 1, 2 or 4 minute auto test lock
- Manual test with alarm beeper & light flash for high volts
- AC / DC Volts, Ohms

Model: MS8209

- Digital Multi-Functional meter
- Humidity, Sound, Light Level
- Temp sensor built in
- Large display
- Auto manual ranging relative measurement

Model: T3600

- 3 Phase power analyser
- 10 display LCD screen
- 4 current clamp connectors (3 phase + 1 neutral)
- Up to 1000A - 3 ranges
- All voltage & current readings are true RMS accurate to 0.5%

Model: T3079 HVAC 1000A

- TRMS Clamp Meter (leakage)
- 4 digit dual digital display
- HVAC & refrigeration functions as well as display
- AC & DC voltage auto switching
- Test start capacitors & motor in-rush current / KW / Temperature
